EMPLOYER/EMPLOYEE CONNEXION DATABASE

We will be introducing our Employer/Employee ConneXion Database this summer. Stay tuned for opportunities to help with employment opportunities in the area.

We have started collecting business information for our database. We want to connect with potential employees so we can assist our businesses in their hiring efforts. We will also be adding an Employer Information Form on this site to be completed at a later date. If you would like to participate in this program contact us.

Contact us at 412-595-8361 or email: chruhl@verizon.net for more information.
